AMENDMENT NO. 4 TO "ARTICLES OF ASSOCIATION OF
COUNTY AGRICULTURAL CONSERVATION ASSOCIATION", (ACP-71)

Article IV, Section 3 of Form ACP-71, "Articles of Association of County Agricultural Conservation Association," as amended September 14, 1939, November 2, 1939, June 4, 1940, and August 19, 1941, is hereby amended by adding to the end of Section 3 the following:

"As soon as practicable, the communities, as established for 1942, shall be examined by the Chief, Agricultural Adjustment Administration, and, if it is determined, in view of the number of farmers residing in any community and the additional burden occasioned by the war and other phases of the Agricultural Conservation and related Agricultural Programs which has been placed upon the community committeemen in rendering service to such farmers and in obtaining their fullest possible cooperation in such programs, that a revision of the boundaries of such community will result in a more effective, efficient, and fair administration of such programs in the community, the boundaries of such community shall be revised by the Chief, Agricultural Adjustment Administration, so as to facilitate such results. If, during the term of office of community and county committeemen elected to serve for the year 1942, the boundaries of one or more communities within a county are revised as required by the preceding sentence, a new election shall be held, as soon as practicable after the revision takes place, in each of the communities within the county, the boundaries of which have been revised, for committeemen, delegates, and alternates in accordance with this section and Section 2 of this Article. The newly elected delegates and the delegates from the communities, the boundaries of which have not been revised, shall elect a new county committee in accordance with Section 4 of the Article. The terms of office of all newly elected committeemen, delegates, and alternates and of the newly elected county committee, shall be for the remainder of the period contemplated by the original election for 1942, as provided in Section 5, Article V."
